***

O R D E R:

In the reference 1st read above, the Director Electrical Safety and Chief Electrical Inspector to Government has informed that the recommendations under Business Reforms Action Plan (BRAP) 2024 were communicated to the Department for implementation and compliance. The BRAP 2024 recommends to mandate internal and external electricity installation works typically carried out by Licensed Professional / Company.

2. In the G.O.2nd read above, the Government of Andhra Pradesh have notified "**The Andhra Pradesh Electrical Licensing Rules, 2025**" for issuing of Licenses to Electrical Contractors and issuing Certificates of Competency and Permits to Supervisors and Wiremen.

3. The Director Electrical Safety and Chief Electrical Inspector to Government has submitted a proposal to the Government in the reference 1st read above and requested the Government to issue notification to mandate internal and external electricity installation works to be carried out by Licensed Professional and mandate qualification of Third Party carrying out electrical wiring installation works.

4. Accordingly, the Government after careful examination of the matter, hereby issues the following notification:

i. The internal and external electricity installation works shall be carried out by Licensed Professional / Company in the premises of or on behalf of any Consumer, Supplier, Owner or Occupier for the purpose of supply of electricity. The Licensed Professional / Company shall obtain License for Electrical contractors under "The Andhra Pradesh Electrical Licensing Rules, 2025" and shall employ at least One (1) Supervisor holding a Certificate of

Competency and permit and Two (2) Wiremen holding a Certificate of Competency and Permits issued under the said Rules.

ii. The Licensed Contractor shall inspect the internal / external electrical installation at least once in year.

iii. The License Professional Company shall issue "Certificate of Compliance" for every inspection conducted for internal and external installation.

iv. The quality check or final inspection of the internal and external electricity installation work is mandated to be inspected by a Third Party.

v. The quality check for internal and external installation shall be performed at least once in a year.

vi. Further, the education qualification and experience for Third Party carrying out electrical wiring installation work shall be:

For Supervisors:

a. Degree in Electrical Engineering from recognized University or Institution with a minimum experience of one (1) year. (OR)

b. Diploma in Electrical Engineering from recognized University or Institution with a minimum experience of Two years.

For Wiremen:

a. Pass in an examination of a recognized institute in Wiremen / Electrician trade or its equivalent examination.

Qualification exam:

Both the Supervisor and Wiremen must pass an interview conducted by the Sub-Committee constituted under **"The Andhra Pradesh Electrical Licensing Rules, 2025".**

5. The Director Electrical Safety and Chief Electrical Inspector to Government shall take further necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVENOR OF ANDHRA PRADESH)
